## 3. WHERE DO WE GET YOUR DATA FROM?

We get it from you! If you are under 13 then your parent, carer or school has to give it to us on your behalf. We don't buy lists of names. We explain how we keep your data safe and what we do with it in our other Privacy Notice – it is a bit longer than this one! It's really important for you to know that we are very careful with your information, and you can ask to see it at any time.

## 6. YOUR RIGHTS

You have all the same rights with regard to your personal information as adults do – this is a very good thing. There are 8 rights and you can see them [here](#).

If you want to know more, have a look at our general Privacy Notice. [You can view the Privacy Notice here](#).

## 2. PERSONAL DATA ...WHAT'S THAT?

What we mean is any information that could be used to identify you. At its simplest this could be just your name and address; or, it could include a telephone number, email address, a picture or a recording of you.

## 4. WHAT DATA DO WE KEEP ABOUT YOU?

The information we hold may include our name, date of birth, and where you live.

## 5. HOW LONG DO WE KEEP YOUR DATA FOR?

We have thought a lot about how long we should hold on to personal data. We believe it is only as long as you would consider reasonable, or where we have to because of the law. We keep it very safe on our systems, just like you would expect us too.

## 7. HOW TO CONTACT US

If you want to know more, then please contact us. If you are under 13 your parent or carer would need to do this. If you are over 13 then you can write to our data protection officer at [dataprotection@afc.co.uk](mailto:dataprotection@afc.co.uk) or by post to:
